Comments: LCANA has a lot of things going on – a lot of teachable moments & learning experiences. Our area has voted on multiple motions & I'm carrying our area's conscience. We are struggling to fill service positions at the area level. We are not making a donation at this time – our area makes a quarterly donation so I will have that @ the next region (1/11/20) if we are making a donation. I did bring up @ LCANA's last TWO area meetings about subcommittee Chair & Vice Chair attending regional subcommittee meetings. Policy VC informed me that it is NOT specified in LCANA sub. Chair & VC policy that this is mandatory. Thanks!

Comments: Hello Family, I have had trouble with finding transportation to region. I teamed up with the Williamsport RCM and made it here today. Our area is struggling to find committed members to serve at the area level. We held an area meeting last month to see what is going on with the area. 4 members were present. We are going to meet next month and try to get some things organized. Activities committee is still running for the area. We are putting on a new years eve party. The chairperson is getting newer members involved in the event. The meetings of the area are still well attended. We still have a treasurer and chair at area. And an RCM.

Hello REGION,

Verlina and I have completed the 2017 & 2018 YEAR END SUMMARY'S AND SUBMITTED THEM TO THE ACCOUNTANT. THE ACCOUNTANTS ASSISTED VERLINA IN CREATING AND COMPLETING A THE CONFLICT OF INTEREST POLICY. ALL THESE DOCUMENTS ~~WERE~~ ARE NOW BEING REVIEWED FOR APPROVAL BY THE ACCOUNTANTS. IF ALL IS WELL THE 1023 WILL BE SUBMITTING WITH THE REQUIRED DOCUMENTS TO THE IRS. ALSO, WHEN I COMPLETED THE 2017 YEAR END SUMMARY I HAD A ~~[illegible]~~ -12,544.44 ENDING BALANCE WHICH BALANCES OUT THE #+12K END BALANCE FROM THE PRIOR YEAR 2016. THESE BALANCES WERE THE END RESULT OF A CHECK WRITTEN OUT TO ~~[illegible]~~ WORLD THAT BOUNCED DUE TO THE REGION DEPOSIT NOT BEING DONE BEFORE CHECK WENT THROUGH THE BANK. VERLINA IS ON VACATION THIS REGION SO I AM THE ONLY SIGNER AT REGION SO I NEED REGIONS GUIDANCE ON HOW THEY WANT ME TO HANDLE REIMBURSEMENT CHECKS. ALSO, VERLINA INFORMED ME THAT THE COST FOR ACCOUNTANT TO DO THE REINSTATEMENT OF TAX STATUS WAS ACTUALLY ONLY # 600.00 AND NOT #650.00 →

TRUSTED SERVANT: HOPE C.

POSITION: V. TREASURER

AS WRITTEN OUT. VERLINA CORRECTED THE CHECK AT THE ACCOUNTANTS AS [redacted] TO NOT DELAY THE [redacted] PROCESS ANY LONGER. SHE ASKED ME TO CORRECT THE CHECKBOOK ON THIS END BECAUSE I HAD THE CHECKBOOK, SO I DID THE CORRECTION. I AM HOPING MOVING FORWARD THAT THE BOOKS WILL STAY IN ORDER AND UP TO DATE. THANKS FOR YOUR PATIENCE, AND THANKS FOR LETTING ME SERVE.

Please make sure you submit updated
meeting lists to Matt O so he can keep us
up to date on regional meeting lists

We worked w/ Williamsport & Lock Haven to update phone & web to put out to their areas & meeting lists.

- It was suggested that any area w/ no P.R. Subcommittee send back to their home groups to appoint a rep to fulfill commitment to show up for P.R., or lit & I etc...

- Reading Area will be conducting a "Mailing Day" in the future to help get P.R. info out to public.

- Reading discussed the difficulty of getting into their local jail & the solution for this is to remain vigilant.

- As always - P.R. is a resource for ALL of the problems discussed today. We can't help if we don't know there is a problem -

RD REPORT
November 9th 2019

Hello Everyone,

Suzi and I attended the face to face NEZF in Erie last weekend. Suzi has the minutes from this weekend. I am going to highlight a few things.

Our Accountability Statement passed! A proposal that the NEZF admin body members submit bimonthly reports also passed.

The NEZF developed a Fellowship Development ad hoc committee per the strategic plan that was completed. The first stage of the ad hoc was to do a Fellowship Development Environmental Scan and the goal was to have a minimum of one response from each RSC on the survey, as well as one response from each ASC within our region. Also any member could have completed the scan. The FD Ad Hoc (from the timeline completed in the strategic plan) was to present the results of the scan at the November face to face meeting. The FD Ad Hoc did present the results of the scan that I sent out in an email. The Ad Hoc also made recommendations and submitted a proposal with three parts to be considered. This proposal was to create a free standing FD committee and included guidelines. This proposal was rescinded. The NEZF asked them to rework the proposal and resubmit. The changes would be that this is not a FD committee but merely a FD coordinator and this individual will not do service deliverables but would be a mechanism to have a "pool" of people with FD skills to introduce or network to local NA communities looking for help with FD. When the new proposal is sent out I will forward it via email to everyone. We did articulate that our region believes the zone is moving too fast and we would like to see it slow down.

The New Jersey region submitted a proposal that I have included. The proposal is for the NEZF to consider co-facilitating a parallel service track at the New Jersey Regional Convention. This would be similar to what we do at MARLCNA.

On September 14th NAWS held a virtual meeting of zones. This idea came from the WSC of the Future Workgroup as a way for zonal forums to connect and collaborate with other zones. Each zone had 4 minutes to introduce themselves. Our zone asked our vice chair to participate in this call and I have a transcript of the call if anyone is interested in reading it. At the end of the call it was asked if the zonal representatives would like to meet together again and all agreed. This brought up the conversation at our zonal meeting of who our zone would like to send to the next call. It was originally stated to have two individuals rotating with a yearlong commitment and it would need to be either a RD or an RDA. 3 people were nominated and 2 volunteered. They would like to call this our zonal coordinator or our zonal representative. Consensus was that this needed to go back to regions to discuss how we should handle this because it is a monumental change for zones and could have long lasting implications and should not be handled quickly.

We still have not received the CAR/CAT. There are 16 motions in the CAR. We would like to pick a date in January to schedule our workshop in Allentown.

I discussed our issue with our taxes and tax exempt being revoked at the NEZF and received great input particularly from the Connecticut RD Troy. It has been strongly suggested we seek legal counsel in this matter. I am including my correspondence with Troy and his recommendation based on his experience in a similar matter.

Lastly our PO Box was due for it's bi-annually renewal. I paid for this and will be submitting for reimbursement. I am including my expense report which has costs for our upcoming travel to MERLE December 6-8 in New Hampshire.

It is a privilege to serve.

NEZF PROPOSAL

Maker: Nancy C – New Jersey Region
Second: Sam – Northern New England Region

PROPOSAL:
That the NEZF consider co-facilitating the parallel Service Track that is being created as part of the New Jersey Regional Convention that will take place on August 7-8, 2020 at the Westin Princeton Forrestal Village in Princeton, NJ. The program will be created on a completely collaborative basis.

Intent:
To provide a forum for the discussion of service-related topics relevant to the awareness, growth and development of the members of the NJ Region, the NEZF and the fellowship as a whole.

Financial Impact: Undetermined.

Policy Affected: NONE

Mid Atlantic Regional Report
NEZF – November 2019

Mid Atlantic Region represents Areas from Shrewsbury to State College and up to the Poconos in Pennsylvania
We have 15 areas and over 500 weekly meetings.

We meet bi-monthly in different areas within our region. (this is done on a volunteer basis).

We have functioning PI, Helpline, Website, Behind the Walls Step Writing, Insurance, Policy, and MARLCNA. Our sub-committees attendance has dwindled over the past few months. We have elections in November and the following positions are up for those elections: Vice Chair, Vice Secretary, PR Vice Chair, Policy Vice Chair, Insurance Liaison Alternate, Step Writing Vice Chair and Web Vice Chair.

MARLCNA is our regional convention held every year in February. MARLCNA is February 7th – 9th and we have received confirmation that Tana and Tali will be the WB members facilitating the CAR workshops. We did vote to move MARLCNA from the Lancaster Host now the Wyndam to the Marriot in downtown Lancaster. This convention has been at the Host for many years but due to the renovations and complaints the committee submitted a motion to relocate. The motion passed . The Marriot contract will take effect in 2021..

I reported at our last face to face meeting that our region has done a poor job filing taxes on time and this poor management resulted in us having our Tax Exempt status revoked (this was due to failure to file taxes for 3 years). Our regional treasury does have a course of action to rectify this and sought guidance from the regional body on collecting the appropriate documentation need to reapply for our Tax Exempt. I did suggest a financial subcommittee but this recommendation died on the floor. We have suspended any donations to WSO until all back and current taxes are paid and up to date.

The zone continues to be a discussion topic on our regional floor. The RD team continues to share information including doing workshops to reach areas and give them context on the NEZF. Our region repeatedly states that they would like to see the zone slow down on adding new workgroups and tasks. Our region would like to see the zone take all direction from the groups and stabilize the efforts is has recently added i.e PR subcommittee, implementation of treasurer and guidelines etc...

We are now meeting bi-monthly. Our region formed an Ad-Hoc committee to look at policies and procedures to support this transition. The region voted down using zoom for any regional meetings but did vote to get a zoom account for our subcommittees? Our region needs to educate individuals on the use of technology. There seems to be a fear around using technology and we believe this is from lack of experience or knowledge around the use technology. Our region is also implementing policies and practices to utilize our website for online registration to MARLCNA. There has been some growing pains in this process but we believe we will have these capabilities for this year's event.

NOTES: _____

Good morning,

This past weekend Jodi and I attended the face to face meeting of the NEZF in Erie at the start to live convention. I am submitting receipts and change from my budge associated with this trip. Jodi is covering friday reports as well as some key points throughout the weekend. Below is an overview of Saturday and Sunday.

Input on 501c3 status:
- Going to need a lawyer
- 2nd time we brought up at the zone
- Originally it was suggested to create an adhoc at a regional level to find a solution

A member brought up the need to modify zone format to include an area to ask for experience from other regions when going over regional reports; increase engagement because we are dedicating the time on the interest and issues at hand with specifics. This was touched on due to the lack of feedback to our tax exempt situation on friday. All other dialogue was exchanged saturday.

The zonal PR powerpoint presentation highlighted several points. Onc being the zonal workshop in Maine, a professionals day in finger lakes, meeting with OASAS (Northern and Western NY). These power points are available on the NEZF website.

NEZF Tee shirts were purchased by a region and set for sale at the face to face. The proceeds were donated to fund the zone.

NEZF AD HOC Committee (Fellowship Development strategic plan) (POWER POINT)
No financial impact
standing subcommittee would pass budget is zero until further notice. (Via zoom is free, or self funded.)
Hand outs are included in this report and/or available with power point on the NEZF website

3 motions in upcoming car report regarding the FIPT, report is not in hand but will be this month

Atlantic City, New Jersey brought a flier with an upcoming Q and A regarding a viewpoint session on the FIPT. They asked if anyone could attend for perspective and open discussion, the flier states NAWs members will be in attendance. Flier is included.

SURVEY - PLEASE FILL OUT, BRING BACK TO AREAS
- 46 responses to the survey
- most have been single members 86.96%
- Regions w/no response
  - Eastern NY
  - New Jersey - meet next week will revisit in region
  - Northern New England - will now discus this on regional level
  - ABCD
- End of december closed
- 12 responses from us (26%)
- Approx 6 minutes
- 4 people took the survey and didn't know what region they were from
- Survey will let the zone know what the member/group would like or need from the zone

A pillot of a information trailer on what the NEZF does was shown but will be readjusted based on the desired needs of the body. This will now be two short videos several minutes long, one for members to understand the zone and one for the World Service Conference to see.

ELECTIONS

CHAIR - Dennis
VICE CHAIR - Wilvena
TREASURER - Jean Claude
SECRETARY - Our very own, Kathleen
WEB SERVANT - Jermemy
PR is waiting for guidelines to be submitted and approved before electing

World calls, asking for a zonal rep to be there for information purposes. Appoint a person for the NEZF on the World zoom calls.

- Rotation was something discussed with two people - it was brought up that this was inconsistent and prevents an on going relationship with members and could leave the individuals only attaining pieces of the conversations instead of one person attending a whole.
- Straw pull results showcd interest in two people
- Do we make this a year long commitment - straw pull showed interest
- Two people ongoing for one year to attend the world zoom calls amongst the body of RD's and AD's
- Simple appointment, no elections, this is not a position
- Zonal Rep - NOT A ZONAL DELEGATE

OLD BUSINESS

MID ATLANTIC proposal on accountability statement

- straw pull 10 - YES, 1 - NO, 0 - ABSTAIN
- second - 10, 0, 1
- Consensus pulled so we can take it as a final vote per WSC guidelines
- Proposal passes
- Minority explanation - concerned this will be interpreted that everything will need to go back to the groups, concerned about voiding housekeeping and seizing business.

GREATER NY

- The NEZF admin body members submit bi monthly (every two months), reports which document all correspondence and activities relating to NEZF service
- Nothing currently in guidelines to bring the reports to the body, no transparency about current events
  - 8 - YES, 0- NO, 2 - ABSTAIN
  - 10 - YES, 0 - NO, 1 - ABSTAIN

NEW BUSINESS

NEW ENGLAND/NORTHERN NEW ENGLAND

- parts one two and three
- intent was for this to reach the floor, considered old business for the next meeting
- friendly amendment -not a standing committee but a single point person used as a resource (fd resource position accountable to the NEZF. Liaison between HRP and NEZF)

- FD COORDINATOR term
- Makers will bring separate proposal, amend, and bring back to next zone
- Next time,
    we will view the amendment, see if we still accept it
    if we do - then move on to proposal, if we dont then go back to original format

3 components in on proposal - too many pieces, go back and rewrite 3 separate

NEW JERSEY REGION
    seems like a potential projects for the FD coordinator
    send back to regions
        vote now 3-yes, 7-opposed, 1 - abstain
        post pone 7-yes, 0-no, 4 - abstain
!!! Proposal to be voted on - included in report

Just to reiterate, all handouts and power points are available on the nezf website, if you have any trouble please contact me and I will help guide you to it. This also is an open door for any clarification needed from the workshops, my report, etc. I am here as a resource and a trusted servant.

- Also as a reminder, we have the New Jersey proposal to bring back and the NEZF is asking for more surveys. Please bring these items back to your area.

I will be submitting my budget plan for MERLE this region. Jodi and I will be available for your Car report needs, please contact us with interest in workshops or anything else regarding.
