

ONLINE REGISTRATION FOR MARLCNA

Online registration is available on the regional website marscna.org.

The finalized flyer is sent by the registration chair/vice-chair to the MARSCNA website chair/vice-chair to upload the flyer to the website.

The registration form can be completed and submitted via the website, with payments processed through the Square POS application. Credit card information is not handled directly by the committee. Deposits are sent directly to the linked MARLCNA bank account.

The Square POS Application accepts payments for all major credit cards. There is a fee per transaction of 2.9% plus 30 cents assessed by Square. It is the responsibility of the registration committee to recommend what part of Square's fee will be absorbed by the registrants and informs MARLCNA accordingly.

The chair of the Registration Committee will set up an account at ecwid.com so the bookkeeper can access the information. The bookkeeper will document the online registrations on a ledger separate from pre-registrations received in the mail.

Online registration follows the same guidelines for mail-in registrations.
