## Why Pre-Register?

We believe that once participants understand that the money generated from early registration is what makes a convention possible, as well as carrying the message to the addict who still suffers, the question "Why Pre-Register?", will be answered.

Pre-registrations provide funds to prepay expenses for hotels, speaker travel, hotel accommodations, printing flyers & programs, items in the registration packets, entertainment and other fees in advance.

The WANA Convention Committee would like to thank you for your support.

**Badges must be worn while attending all functions at the convention,**

**Are you interested in being a speaker at a Main Meeting, Topic Meeting?**
